OPPORTUNITY TO JOIN BOARD OF GOVERNORS

The recent merger of three colleges in Leeds and one in Keighley has led to the creation of an organisation with exceptional potential to serve the city of Leeds and the wider region. To fulfil that potential, we need an outstanding Governing Body.

Serving as a member of the Governing Body provides an opportunity for those with a commitment to education, skills and training to play a central role in supporting our mission and relentless drive to become an exceptional college.

The College wishes to benefit from a range of perspectives which will be enriched by drawing governors from a diverse range of backgrounds. We value the diversity of our students and staff and are determined to reflect this among our Governing Body. You may have experience in business, community or social work, with charities or SMEs, or even be an entrepreneur, but the broader your field of experience and cultural perspective the better. For the same reason we're keen to involve people of all ages.

If you think you could make a contribution and would like to be considered for what is an unpaid but rewarding role, please contact the Clerk to the Board, Melanie Bray, on 0113 297 6404 or by email melanie.bray@leedscitycollege.ac.uk
